**You:** what is elearning?

**Amanda** 🤖: Elearning refers to the use of electronic technologies to access educational curriculum outside of a traditional classroom. In most cases, it involves the use of computers and the internet to deliver a wide range of learning materials, including videos, text, animations, and interactive modules. This form of learning supports a variety of learning styles and can be accessed remotely, allowing students flexibility in terms of time and place of study. Elearning platforms often provide tools for collaboration, assessment, and communication among students and instructors.

**You:** where can I find my courses?

**Amanda** 🤖: You can find your courses on the USEK eLearning (Moodle) platform. You can access the courses for the current and upcoming terms by logging into the platform at <https://elearning.usek.edu.lb/>. Once logged in, you can navigate to your dashboard to view the courses you are enrolled in.
